

ANALYSIS OF THE BHIKKHUPĀTIMOKKHAM

COMPILED BY

ĀNANAJOTI BHIKKHU

(JULY 2008)

PREFACE

The following analysis is based on the BJT edition of the Bhikkhupātimokkha as found elsewhere on this website, but with some alterations based on a more historical perspective of the text, so I write Pātimokkhaṃ, not Pātimokkhapāḷi; Pārājikā, not Pārājikuddeso, both of which endings are late additions.

The BJT editors were somewhat inconsistent in providing titles for the rules, and in certain cases omitted them altogether. The deficiency in this regard has been made up by consulting the ChS edition as printed on the Chaṭṭha Saṅgāyana CD-ROM (Version 3).

Only the main headings have been translated at the moment. If I ever fulfil a long-standing wish to translate the main text then I will provide a more comprehensive English translation at that point.
